

### Magazines

1. Cut out a piece of paper the depth of the magazine (the longer the paper strip the more pages you will have)
2. Fold the paper into equal zigzag pages  and stick it to the inner cover of the magazine
3. Stick the paper onto the back page, front page and glue the centre binding part to hold the pages in.
4. Close the book leaving it to dry.
5. If you want printed pages use tiny newspaper print and follow instructions from no.1
